Sub: Submission of Expression of Interest (EOI) for laying, building and operating Srikakulam – Angul Natural Gas Pipeline.

Dear Sir,

Andhra Pradesh gas distribution corporation (APGDC) limited is a joint venture organization of APGIC (Govt. of AP organization) and GAIL Gas limited, the objective of APGDC is to develop and promote infrastructure to import, sourcing, transmission and distribution of natural gas in the state of Andhra Pradesh.

M/s. APGDC is setting up a FRSU at Kakinada and laying a gas pipeline from Kakinada to Srikakulam. The gas from proposed FSRU at Kakinada & PLL RLNG terminal at Gangawaram will be available at Srikakulam through Kakinada-Srikakulam pipeline. Further between Srikakulam to Angul, there is no Natural gas pipeline infrastructure available at present, therefore to promote the gas market between Srikakulam to Angul and utilization of available gas through Kakinada FSRU and Gangawaram RLNG terminal, it is required to lay Natural gas pipelines connecting the gas source with various gas market from Srikakulam to Angul, potential customers in Odisha, Chhattisgarh, Jharkhand and other customers enroute JHBDPL pipeline.

We take this opportunity to submit expression of interest (EoI) for Natural gas pipeline from Srikakulam to Angul, in terms of regulation 4 of PNGRB (authorizing entity to lay, build, operate or expand natural gas pipeline). In compliance with it, the duly filled schedule-A is attached with this letter. The approximate length of the pipeline will be about 400 KM. A map showing indicative route of the pipeline is enclosed, as part of schedule-A.
